
MARLBORO TOWNSHIP

September 11 Memorial

In the wake of an unprecedented attack on the citizens of our nation on September 11, 2001, the people of Marlboro came together to honor the memory of those who died and the crushing loss suffered by their loving families. We lost 14 of our residents that day.

In tribute and memory, the Township of Marlboro dedicated a memorial and, through the efforts of Councilman Jeff Cantor, a US Army Reservist, was able to secure a 12 foot steel "I" beam recovered from the World Trade Center.

We will never forget. The Marlboro Township 9-11 Memorial, located on Municipal property, visible from Wyncrest Road, was created as a place for solace and as a reminder of those we lost that day. The Memorial is open to all every day, dawn to dusk, and easily accessible from the parking lot at the Recreation Center.

Each year, we come together as a town to remember the lives of all who perished and the lasting impact this has had on our great nation.

Over time, we maintain and improve this serene setting. Since the initial dedication the Township has added a tranquil fountain, seating, and foliage.

Be part of this lasting memory and help us to build upon and maintain this area of peace and contemplation in our town. Commemorative bricks can be purchased by any individual, family or organization with a personalized message engraved on the face to pave the way to the Memorial with thoughts and words of respect. Click [HERE](#) for details.

As our world continues to face threats from those who do not honor the freedoms we share, take a moment to appreciate our way of life and the many opportunities this country affords us. Remember those who have suffered and how close to home these attacks on our freedoms have come. We invite you to visit the tranquil Marlboro Township 9-11 Memorial for a quiet moment of reflection.
