Dear Seniors:

It is always a pleasure to present the “Best of Times” Senior Brochure seeing that it is filled with great programs, services and information. The hard work of our Senior Program Director makes it easy to promote this successful effort. We are consistently looking to improve upon a strong foundation that offers the best programming for our Senior Citizens, in relation to health and wellness as well as friendship and fun. Information on activities and events can be found in this guide, the Recreation newsletters, and Township emails. Through the continued cooperation from the Morganville Volunteer Fire Company, our expanded facilities have allowed us to offer more classes as well as significantly reducing waiting lists. We hope that everyone takes advantage of all that our Senior Program has to offer.

As winter draws near, severe weather is always a possibility. Extreme conditions have become more frequent in recent years disrupting our daily schedules, leaving many seniors housebound, causing damage to our properties and roads and affecting our municipal budget. With a rise in unpredictable weather, comes a growing need for emergency preparedness and communication. We send a township wide Thursday Blast, a weekly email that includes event promotions as well as important local information. If you are not receiving the Thursday blast, you may be missing out on the weekly update, but more importantly you may not be on the list to receive emergency communications. Please visit the "Communications for Residents" section of our website and register for any and all of our communication options. If you have any concerns about how to take full advantage of our electronic forms of communication that include email and social media, our Teen Advisory Committee (TAC) is here to help, with technical needs like this and general help in operating your electronic devices. Call to inquire about this valuable program.

If electronic options are not possible for you, call our Police non-emergency number at (732) 536-0100, dial ext. 1412 and Matt Price will register your phones to receive reverse 9-1-1 calls. Please remember that the police and Town Hall are always here to provide assistance and information. Keep in touch with your friends and neighbors. During weather emergencies, we are all in it together.

Thank you to our new Recreation Director, Dan Reeve and our new Senior Program Director, Heidi Pincus who have partnered together to bring the best recreation offerings possible to our community. Along with our experienced senior office staff members Linda Dugan and Rosemary Pascale, they aim to create a quality and welcoming series of programming dedicated to Marlboro Senior Citizens. I look forward to seeing you at the many events planned for this winter and spring.

Very truly yours,

Mayor Jonathan Hornik

Promoting virtually identical policies, the two men’s personalities define their true differences: one is wit and scholar with lofty principles. The other is young, ruthless—and the perfect TV-friendly candidate. The Best Man will have you hanging onto every unpredictable twist, turn, play and ploy, as secrets are revealed and allegiances are bought and sold. In this time when politics are fiercely debated, The Best Man should not be missed! Early lunch will be served @ 11:15 at the Rec Center, prior to departure @ 12:15. Please note: the bus will pick up at the Rec Center for this trip NOT at the Marlboro Mall.

Scientific research has proven that the practice of Tai Chi has a profound effect on heart conditions, hypertension, bone density and the brain. It is a complete system of exercise that improves relaxation, strength, balance, coordination, posture, concentration and flexibility. Movements are smooth, slow, continuous and graceful. The Tai Chi form can be broken down into a series of separate moves. This makes it easier for both teaching and learning. Bring a bottle of water, wear loose clothes, flat shoes or sneakers and for those who wish, you may sit or have a chair nearby.
