# Letters to SANTA

Holiday elves have installed a special **North Pole Mailbox** outside the Marlboro Recreation Center at 1996 Recreation Way! Children can drop off their letters to Santa starting **November 18th**. Santa will respond to all letters received by **December 11th**.

## Guidelines

Letters must include the child's first and last name, age and grade. Santa especially enjoys letters with hand-drawn holiday pictures! Parents are encouraged to glance over letters before delivering them to the mailbox.

Place your letter and **self-addressed stamped envelope** inside The North Pole Mailbox so Santa can write back!
