MAYOR HORNİK ANNOUNCES 2016 MUNICIPAL AUDIT RESULTS

Marlboro Receives 'Perfect' Audit

MARLBORO TOWNSHIP, NEW JERSEY (July 13, 2017) – The accounting firm, Wiss & Company, LLP released its independent audit report on June 28, 2017 for the year ending December 31, 2016. For the fifth consecutive year, the auditors reported that there were no ‘findings or recommendations’.

Each year, the Township is subject to an independent audit of its financial statements. The core purpose of the independent audit is to report on the condition of the financial information annually compiled by the Finance Department and to reflect upon the integrity of the procedures and controls implemented by the Township. The auditors scrutinized the Township’s financial statements and processes extensively and found no issues or concerns.

Mayor Jon Hornik said, “This accomplishment is certainly an endorsement of the work of our Finance Department, and I commend these employees for their hard work. At the same time, it serves as testimony to an organization-wide effort to adhere to the procedures and guidelines established in both NJ State Statute and Township Policy concerning purchasing and the safeguarding of Township assets.”

“This could not be done without the assistance of the Township Employees, Department Heads and Supervisors, when one considers the increased demands placed upon municipal employees and today’s more stringent auditing standards,” said Mayor Hornik. “I especially want to thank Council President Jeff Cantor, Council Vice President Randi Marder, Councilwoman Carol Mazzola, Councilman Scott Metzger, and Councilman Michael Scalea for their support and dedication as we work together throughout the year to maintain Marlboro’s financial and managerial high standards.”

The Township Council will vote on the acceptance of the Municipal Audit at the Township Council meeting to be held on July 13, 2017 at 7:00 pm in the Town Hall Courtroom located at 1979 Township Drive.
