

Above Ground Pool Plan

I respectfully request a Bulk Variance

Hardship to put a 33 x 18 above ground pool in
the backyard of 34 Buckley Road Marlboro NJ.

It will take one day weather permitting to
complete. The construction entrance is on the
right side of the house and there are no
sidewalks or curbs to be crossed. 34 Buckley
Road is located in a C-5 zone.

Respectfully
Michael Clark
